Any proceeds from the sale will be applied towards the outstanding Loan balance. If the sale proceeds are insufficient to cover the Loan, the Borrower shall remain liable for the remaining balance.

(ii) Deficiency Judgment: If the sale of the Vehicle does not fully cover the outstanding Loan balance, the Lender reserves the right to seek a deficiency judgment against the Borrower for the shortfall.

11.5. Rights and Waivers: The Borrower acknowledges and agrees that:

(i) The Borrower waives any claims against the Lender related to the repossession of the Vehicle, provided that the repossession is conducted in accordance with the terms of this Agreement and applicable laws.

(ii) The Borrower may, at any time prior to repossession, cure the default by paying all overdue amounts, including any fees or costs incurred by the Lender related to the default, repossession, and the enforcement of this Agreement.

12. CLASSIFICATION AS SPECIAL MENTION ACCOUNT (SMA) AND NON- PERFORMING ASSET (NPA)

12.1 The Borrower agrees and understands that as per the applicable circular issued by RBI from time to time on "Prudential Framework for Resolution of Stressed Assets", the Lender is required to recognize incipient stress in Borrower's accounts, immediately on default, by classifying them as Special Mention Account (SMA) and Non- Performing Asset (NPA).

The Prudential Norms require the Lender(s) to recognize incipient stress in Borrower accounts, immediately on default, by classifying them as SMAs. An account/facility would be classified as SMA category if the amount due and payable to Lender(s) is not paid by the Borrower by the due date. Basis aging of overdues, the Lender(s) reports the Borrower under the following SMA categories.

12.2 Classification as SMA and Applicable Categories:

(Signature) **For, LENDER** Authorized Signatory	(Signature) **For, BORROWER**	(Signature) **For, CO-BORROWER**	(Signature) **For, GUARANTOR**

Loan other than revolving facilities		Loan in the nature of revolving facilities like cash credit/overdraft	
SMA sub- categories	Basis for classification - Principal or interest payment or any other amount wholly or partly overdue:	SMA sub- categories	Basis for classification - Outstanding balance remains continuously in excess of the sanctioned limit or drawing power,
			whichever lower, for a period of:
SMA-0	Up to 30 days	NA	NA
SMA-1	More than 30 days and up to 60 days	SMA-1	More than 30 days and up to 60 days
SMA-2	More than 60 days and up to 90 days	SMA-2	More than 60 days and up to 90 days

12.3 Classification as Non-Performing Asset (NPA)

NPA: A Credit Line/Loan shall be classified as an NPA where:

(a) interest applied at a specified date in respect of a term loan remains overdue for more than 90 days. Classification of Borrower account as NPA shall be done as part of day end process of the relevant date and NPA classification date shall be the calendar date for which day end process is run.

(b) The bill remains overdue for a period of more than 90 days in the case of bills purchased and discounted.

(c) In the case of interest payments, if the interest due and charged during any quarter is not serviced fully within 90 days from the end of the quarter.

Illustrative Example explaining above concepts

If the due date of a loan account is March 31, 2025, and full dues are not received before Lender(s) runs the day-end process for this date, the date of overdue shall be March 31, 2025, and the account shall be classified as SMA-0. If it continues to remain overdue, then this account shall get tagged as SMA-1 upon running the day-end process on April 30, 2025, i.e., upon completion of 30 days of being continuously overdue. Accordingly, the date of SMA-1 classification for that account shall be April 30, 2025.

Similarly, if the account continues to remain overdue, it shall get tagged as SMA-2 upon running the day-end process on May 30, 2025, and if it continues to remain overdue further, it shall get classified as NPA upon running the day-end process on June 29, 2025.

12.4 Upgradation of accounts classified as NPA:

All the Credit Line accounts of a Borrower will be classified as NPA in case any one of the accounts gets classified as NPA and the loan accounts classified as NPAs may be upgraded as ‘Standard’ assets, only if the entire arrears of interest and principal are paid by the Borrower.
